RESPONSE

RE: CFTC v. Equity Financial Group, et al., Case No. 04-CV-1512 RBK-AMD [D.N.J.]

Clerk of the Court  
Mitchell H. Cohen Federal Building  
1 John F. Gerry Plaza  
Camden, NJ. 08101

I object to the proposed distribution of funds by the receiver. The contract in this case is between Bally Lines, Ltd. And Tech Traders, Ltd. Not individual clients. Bally Lines has an obligation to maintain confidentiality. Bally Lines always returned funds to lenders in a timely manner. The action of the CFTC and receiver has caused a loss of funds that Bally Lines has no control over.

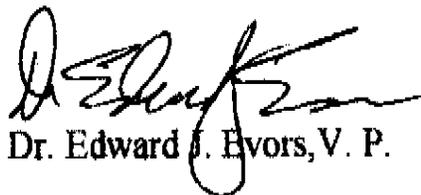

Therefore, I have given all relevant information information for the receiver and the court to evaluate and calculate all sums to be returned to Bally Lines, Ltd.

I have two requests:

I respectfully request the amount the receivers have determined as the return of principal only for repayment to Bally Lines, Ltd. And the total amount of assets seized from Tech Traders with an explanation of where the missing gains from the trading account have gone.

I need the last three months of the trading account accounting, as my records are incomplete.

Thank you for your consideration of this matter.

Dr. Edward J. Byvora, V. P.

Bally Lines, Ltd.
