OFF. OF THE SECRETARIAT

Dear Secretary,

In response to your request for comments about the COT report, I am deeply concerned that the CFTC would even consider discontinuing such a popular and insightful service. As an individual trader/investor, I heavily rely on the COT report to assist me in making my market decisions. This report is the most reliable and informative tool available to the retail trader/investor for following what is transpiring within the market place. Not only is the data provided insightful, but it provides transparency and helps to level the playing field for all of us. I urge you to continue publishing the COT report and cannot stress enough how valuable this information is for the many trader/investors like myself.

Regards,
Ken Patrizio
