Subject: COT reports

CFO OF THE SECURITIES

Dear Sirs:

As an individual small trader. I depend on the COT report and the longer history COT reports to help me make educated decisions for my trading. It would be a shame to discontinue this service . I have to pay to have the government reports compiled to a understandable layman's form. If you really want to be of good service to the trading public make the reports easier for regular traders to read. And end the reports at the end of each trading week instead of in the middle of the week.

I hope you will consider these suggestions.
