CLERK OF PROCEEDINGS
C.F.T.C.

ORDER OF DISMISSAL

On April 27, 2005, Ilija Djurkovic and Todd Young amicably negotiated an agreement under which Young would satisfy the default order by making payment of \$5,450, stretched over several installment payments. The time for Young to make full payment has passed without Djurkovic advising my office of any default by Young.¹ Accordingly, this proceeding is dismissed.

Dated January 26, 2006.

Philip V. McGuire,
Judgment Officer

¹ By Notice dated April 27, 2005, Djurkovic had been directed to promptly advise my office of any missed payment by Young. Djurkovic had previously confirmed receipt of each payment, except for the last payment. However, he has not returned two phone messages requesting that he confirm receipt of the last payment. In light of the fact that he has not advised my office of any non-payment, it is reasonable to assume that Djurkovic has received full payment from Young.
