Plon Leon webf COMMENT

I am so Disgusted with the Proposed Chicago Board of Trade Change to implement the European trading system, and especially the Foot, that when NOT if the CBOT reaches the LIMIT, then the whole thing shuts down. It looks like either the grain Trade will steal what is left of our product, or NOT Buy at all. I have made it my ? to state if CFTC and Interstate Commerce laws on the books under the Fair Trade act they can NOT sell below cost then by god the 1996 Farm Bill is unconstitutional?

Some old some old Republican Farm Bureau since the repeal of the <sup>1942</sup> Steps oct 90% of Policy in 1954. If the only solution is to remove the Trading limits, then why argue. Because our Pubs are about 70% of cost as it is.
