Jean A. Webb, Secretary
Commodity Futures Trading Commission
Three Lafayette Centre
21st St., NW

Jean A. Webb:

As an agriculture producer, I am absolutely against changing the limits at CBOT.

Farmers are at the mercy of the CBOT. This change will have a deplorable affect on the free market system. We have already seen the affect of concentration has had in agriculture. This action will only magnify the problem.

I am absolutely against changing the CBOT limits. This will not be in the best interest of the American Farmer.

Sincerely,

Fred N. Baker
