Subject: COT elimination

2006 JUL 17 AM 11:03
OFC. OF THE SECRETARIAL

Dear Sirs:

It is my understanding that the CFTC is considering eliminating the COT, Commitment of traders Report, the same as the Fed did when they eliminated M3.

This will totally obscure what is going on in the commodities market, and I am strongly opposed to the COT's elimination.

Sincerely,

Daniel Amyx
