OFF. OF THE SECRETARIAT

Eileen Donovan, Acting Secretary
Commodity Trading Futures Commission
Three Lafayette Center
1155 21st Street, NW
Washington, DC 20581

Dear Ms. Donovan,

I am very concerned that the CFTC is thinking of discontinuing the popular COT report. As the report may need modifications to "keep up" with the effects of technological advances and to promote greater trader transparency, all changes or modifications should be without delay or suspension and consistent with historical data. I have used this data for years in my trading and investing and plan to continue to utilize it in the future.

Thank you for your consideration,

Douglas Roberts
