Subject: The COT Report

2006 JUL 19 AM 0:02

OFFICE OF THE SECRETARIAT

Secretary:

Please continue publishing the COT report. It is "THE" unbiased report available to the small trader that can be easily referenced and understood. I rely upon the COT data to lead my way with currencies. You provide a very valuable service with the COT report and I consider it to be government money well spent!

Thanks for your service.

Ronald W. Smith
