OFFICE OF THE SECRETARIAT

Dear Sir:

I am writing to you once again, to beg you not to discontinue the COT report. I can remember the first time I came acrossed this site, I was over whelmed. I requested back to you, how to decypher all of the info. You guys replied back and told me, that it was up to me, to figure out what all of the numbers meant.. So I did... And now my tradeing, has taken a great step forward.

Each week I wait with great anticipation, for this report. Because it alerts me, when markets are set up. Its not a timing tool, but its an alert tool, that alerts me the markets I need to be paying attention to. Go ahead and change it to whatever makes it easier for you. I will learn to adapt to the changes. But please do not discontinue this report.

Sincerely

Tom
