OFFICE OF THE SECRETARY

Dear Sir,

It has come to my attention that the CFTC is thinking of ceasing publication of the COT reports. These reports are essential for small traders and analysts like myself, to garner some sense of what is going on in commodity markets. The major houses don't need them since they are close enough to being insiders that they know what is going on. Removing this bit of transparency, as small as it is, would be equivalent to throwing weasels into the chicken coop.

Best Regards
Ian Nunn
