**Subject:** Are you serious?

2006 JUL 20 PM 4:27  
U.S. DEPARTMENT OF JUSTICE

To Whom it May Concern:

I cannot even believe that the department is even considering stopping the public distribution of this report. I can only wonder why.

If you have any respect for the free market system that allows us access to information we need to run our daily lives, then you will certainly continue to distribute this report.

Regards,  
David J. Drummond  
A concerned citizen
