OFF. OF THE SECRETARIAT

To Whom it may concern;

I am vehemently opposed to the concept of eliminating the COT report. It seems strange that for so many years when information was harder to obtain and more labor intensive the government was adding useful reports to those available to the investor. Now that information is easier to disseminate it seems the Govt. wants to provide even less to investors. Makes me wonder what the rationale for this decision is? PLEASE DO NOT CANCEL the COT REPORT. If anything this report should be published on a more frequent basis.

Thank You,

T. McCabe, Small Time Investor
