C.F.C. OF THE CREDIT

We need more frequent (once a week) reporting of the cot data. This is important information to understand what is the acxcurtate situation that exists. It is notharder, but actually easier to convey thew information with the internet. It appears as if a conscious attempt is being made to withhold necessary information from the public. This is wrong and can not be allowed,

I AM STRONGLY CONCERNED AT THE EFFORT TO LESSEN THE REPORTING OF FINANCIALINFORMATION WE HAVE A RIGHT TO.

IT IS IMPORTANT THAT THE COT DATA CONTINUES WITHOUIT ANY REDUCTION, AND IN FACT SHOULD BE INCREASES TO EACH WEEK OR MORE FREQUENT.
