Re: Rule Certification. NYMEX Submission 07-.47: Notification of Approved Amendment to Supplement No. 1, "Official List of Approved Brands and Markings" of the Grade 1 Copper Futures Contract.

Dear CFTC Commissioners:

The New York Mercantile Exchange, Inc. ("NYMEX" or the "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") of an approved amendment to Supplement No. 1, "Official List of Approved Brands and Markings" of the Grade 1 Copper Futures Contract to be implemented effective April 16, 2007. The approved amendment delists the CMMC-ER copper brand produced by Phelps Dodge Sales Company from the "Official List of Approved Brands and Markings" of the Grade 1 Copper Futures Contract. This brand is bracketed to indicate that it has been deleted. The Exchange licensed warehouses have no copper cathodes bearing this brand in storage.

Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, the Exchange hereby certifies that the attached rule amendment complies with the Act, including regulations under the Act. This approved amendment will go into effect on April 16, 2007.

Should you have any questions concerning the above, please contact James Zeng at (212) 299-2612 or Joann Arena at (212) 299-2356.

Very truly yours,

Robert A. Levin
Senior Vice President - Research
