**Re: Amendments to the Domestic NGL Liquidity Provider Program
Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6**

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission (“CFTC”) Regulation 40.6(a), ICE Futures U.S., Inc. (“IFUS” or “Exchange”) hereby self-certifies the amendments to the terms and conditions of the Domestic NGL Liquidity Provider Program (“Program”) set forth in Exhibit A. The amendments extend the term of the Program, which was launched in February 2019 and set to expire on January 31, 2023. The Exchange believes that the termination of the Program may negatively impact volume, liquidity and the orderly operation of such markets and has decided to extend the Program through January 31, 2025. The amendments extending the Program will become effective on February 1, 2023.

The Exchange certifies that the amended Program complies with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder. In particular, the Program complies with Core Principle 4 (Monitoring of Trading), Core Principle 9 (Execution of Transactions) and Core Principle 12 (Protection of Market Participants). The Program does not impact order execution priority or otherwise give participants any execution preference or advantage. In addition, the Exchange’s Market Regulation Department actively monitors for trading abuses using electronic exception reports and will take appropriate action against any participants engaging in market abuses.

The Exchange is not aware of any opposing views with regard to the Program and further certifies that, concurrent with this filing, a copy of this submission was posted on the Exchange’s website at (<https://www.theice.com/futures-us/regulation#rule-filings>).
