**RE: CFTC Regulation 40.6(a) Certification.
Amendments to NYMEX Rule 853 ("Transfers of Trades and Customer Accounts")
NYMEX Submission No. 15-024 (3 of 4)**

Dear Mr. Kirkpatrick:

Chicago Mercantile Exchange Inc. ("CME"), The Board of Trade of the City of Chicago, Inc. ("CBOT"), New York Mercantile Exchange, Inc. ("NYMEX") and Commodity Exchange, Inc. ("COMEX") (collectively, the "Exchanges") hereby notify the Commodity Futures Trading Commission ("CFTC" or "Commission") that they are self-certifying a revision to Rule 853 ("Transfers of Trades and Customer Accounts").

Currently, Rule 853.A.2. authorizes the Chief Regulatory Officer or the President of the Clearing House (or their respective designees) to approve a transfer of existing trades where the transfer request is in connection with, or results from, a merger, asset purchase, consolidation or similar non-recurring transaction. The current rule requires that the circumstances be such that one or more entities becomes the successor in interest to one or more other entities. In other words, the party seeking permission to transfer the trades needs to cease to exist after the merger, asset purchase, consolidation or other non-recurring transaction.

Recently, the Market Regulation Department has received transfer requests in circumstances where an entity is completely exiting the trading of futures and options on futures, but is not going out of business. In order to address these types of scenarios, the revision to Rule 853 removes the requirement that one or more of the entities must become a successor in interest to the entity wishing to transfer its position.

The revision to Rule 853.A.2. appears in Exhibit A, and will become effective on Wednesday, February 4, 2015.

In connection with the revision, the Exchanges will issue a Special Executive Report advising the marketplace of the change.

The Exchanges reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA" or the "Act") and identified that the amendments may have some bearing on the following Core Principles:

Compliance with Rules: The revision allows the Chief Regulatory Officer or the President of the Clearing House (or their respective designees) to consider the totality of facts and circumstances surrounding a transfer request in connection with, or resulting from, a merger, asset purchase, consolidation or similar non-recurring transaction and to render a decision that is in the best interest of the market and the party requesting the transfer.

Availability of General Information: As required by this Core Principle, the marketplace will be informed of the revisions to Rule 853.A.2. via the issuance of a Special Executive Report prior to the revision becoming effective.

The Exchanges certify that the amendments to Rule 853 complies with the Act and regulations thereunder. There were no substantive opposing views to this proposal.

The Exchanges certify that this submission has been concurrently posted on the Exchanges' website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

If you require any additional information, please e-mail CMEGSubmissionInquiry@cmegroup.com or contact the undersigned at (212) 299-2200.

Sincerely,

/s/Christopher Bowen
Managing Director and Chief Regulatory Counsel
