**Re: Amendments to the NYSE FANG+™ Index Futures Extended Hours Market
Maker Program - Submission Pursuant to Section 5c(c)(1) of the Act and
Regulation 40.6**

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission (“CFTC”) Regulation 40.6(a), ICE Futures U.S., Inc. (“IFUS” or “Exchange”) hereby submits by written certification, amendments extending the of the NYSE FANG+ Index Futures Extended Hours Market Maker Program (“Program”) through March 31, 2019, as set forth in Exhibit A. The Exchange believes that the Program, which was launched in May of this year and set to expire on December 31, 2018, will continue to help build interest in liquidity in the NYSE FANG+ Index futures contract. The terms and conditions of the Program are set forth in Exhibit A.

The amendments to the Program will become effective on January 8, 2019. The Exchange certifies that the Program continues to comply with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder. In particular, the Program complies with Core Principle 4 (Monitoring of Trading), Core Principle 9 (Execution of Transactions) and Core Principle 12 (Protection of Market Participants). The Program does not impact order execution priority or otherwise give participants any execution preference or advantage. In addition, the Exchange’s Market Regulation Department actively monitors for trading abuses using electronic exception reports and will take appropriate action against any participants engaging in market abuses.

The Exchange is not aware of any opposing views with regard to the Program and further certifies that, concurrent with this filing, a copy of this submission was posted on the Exchange's website at (<https://www.theice.com/futures-us/regulation#rule-filings>).
