**Re: ICE Futures U.S. Global Refined Product Liquidity Provider Program
Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6**

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission (“CFTC”) Regulation 40.6(a), ICE Futures U.S., Inc. (“IFUS” or “Exchange”) hereby submits by written certification, the terms and conditions of the new Global Refined Product Liquidity Provider Program (“Program”). The Exchange believes that the Program, which will commence on February 22, 2018, will help build interest in liquidity in the new average price oil options contracts being listed by the Exchange on February 19, 2018. The terms and conditions of the Program are set forth in Exhibit A.

The Exchange certifies that the Program complies with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder. In particular, the Program complies with Core Principle 4 (Monitoring of Trading), Core Principle 9 (Execution of Transactions) and Core Principle 12 (Protection of Market Participants). The Program does not impact order execution priority or otherwise give participants any execution preference or advantage. In addition, the Exchange’s Market Regulation Department actively monitors for trading abuses using electronic exception reports and will take appropriate action against any participants engaging in market abuses.

The Exchange is not aware of any opposing views with regard to the Program and further certifies that, concurrent with this filing, a copy of this submission was posted on the Exchange’s website at (<https://www.theice.com/futures-us/regulation#rule-filings>).
