Amendments to CME Rule 588.H. (“Globex Non-Reviewable Trading Ranges”) Table and CME Rule 589. (“Special Price Fluctuation Limits and Daily Price Limits”) Table are set forth in blackline format in Exhibit A and B respectively.

The Exchange reviewed the designated contract market core principles (“Core Principles”) as set forth in the Commodity Exchange Act (“CEA” or “Act”) and identified the following Core Principles as being potentially impacted:

- Availability of General Information: The Exchange will publish information on the Contracts’ specification on its website, together with daily trading volume, open interest and price information. The Exchange shall disseminate a Special Executive Report (“SER”) that sets forth information with regard to the aforementioned amendments.
- Daily Publication of Trading Information: Trading volume, open interest and price information will be published daily on the Exchange’s website and via quote vendors.
- Execution of Transactions: The minimum block trade size certified herein for BTIC transactions in the contract is commensurate with minimum block trade sizes applicable to equity index futures products listed for trading on the CME and on The Board of Trade of the City of Chicago, Inc.

Pursuant to Section 5c(c) of the Act and CFTC Regulation 40.6(a), the Exchange hereby certifies that the Rule Amendments comply with the Act, including regulations under the Act. There were no substantive opposing views to this proposal.

The Exchange certifies that this submission has been concurrently posted on the CME Group website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.
