RE: CFTC Regulation 40.6(a) Certification. Amendments to CME/CBOT/NYMEX/COMEX Rule 913 (“Withdrawal from Clearing Memberships”) and CME Rule 8G913 (“Withdrawal from IRS Clearing Membership); Adoption of New CME Rule 8G18.C. (“Withdrawal from IRS Swaptions Clearing Membership”). NYMEX Submission No. 16-109 (4 of 5)

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission (“CFTC” or “Commission”) Regulation 40.6(a), Chicago Mercantile Exchange Inc. (“CME”), The Board of Trade of the City of Chicago, Inc. (“CBOT”), New York Mercantile Exchange, Inc. (“NYMEX”), and Commodity Exchange, Inc. (“COMEX”) (collectively, the “Exchanges”) hereby notify the Commission that they are self-certifying (i) amendments to CME/CBOT/NYMEX/COMEX Rules 913 (“Withdrawal from Clearing Membership”) and CME Rule 8G913 (“Withdrawal from IRS Clearing Membership”) and (ii) adoption of new CME Rule 8G18.C. (“Withdrawal from IRS Swaptions Clearing Membership”) (collectively, the “Rule Amendments”). The Rule Amendments will be effective on Monday, April 11, 2016.

The amendments to Rules 913 and 8G913 harmonize the clearing member voluntary withdrawal procedures for Base Clearing Members, IRS Clearing Members and CDS Clearing Members. New Rule 8G18.C. establishes a similar procedure for an IRS Clearing Member to voluntarily withdraw from the clearing of Swaptions while continuing to clear non-swaption IRS.

The Exchanges are harmonizing the voluntary withdrawal rules for clearing members for all product classes to the CDS procedures. The proposed changes would modify the procedures for the voluntary withdrawal of Base and IRS Clearing Members by (i) expressly requiring written notice of intent to withdraw to the CME Clearing House and relevant risk committee, (ii) removing the requirement of risk committee ratification and establishing an effective date of withdrawal to be the earlier of (a) the approval of CME Clearing House Staff, or (b) 10 business days following the clearing cycle in which the withdrawing clearing member liquidates or transfers all of its open house and customer positions, and (iii) expressly clarifying that the withdrawing Base/IRS clearing member remains liable for its respective guaranty fund contributions and assessments during the cooling-off period in which it withdraws.

New CME Rule 8G18.C. provides for similar procedures for the voluntary withdrawal of an IRS Clearing Member from clearing swaptions. It also permits an IRS Swaptions Clearing Member to withdraw from clearing swaptions without withdrawing as an IRS Clearing Member for non-swaption IRS.

Core Principle Review

The Exchanges reviewed the designated contract market core principles (“DCM Core Principles”) and the derivatives clearing organization core principles (“DCO Core Principles”) as set forth in the Commodity Exchange Act (“CEA” or “Act”) and identified that the new rule and rule amendments may have some bearing on the

following principles:

- DCM Core Principle 11 – Financial Integrity of Transactions. The Exchanges have determined that the Rule Amendments are consistent with the requirement to establish and enforce rules and procedures to ensure financial integrity.
- DCM Core Principle 7 – Availability of General Information. The Rule Amendments will continue to be posted publicly on the CME Group website in satisfaction of this Core Principle. In addition, the Exchanges will release a notice to the marketplace regarding this proposal in advance of the effective date.
- DCO Core Principle C – Participant and Product Eligibility. The Exchanges have determined that the Rule Amendments are consistent with the requirement to establish standards for clearing membership admission and withdrawal as a clearing member.
- DCO Core Principle L – Public Information. The Rule Amendments will be added to the publicly available CME Rulebook available on the CME Group website. In addition, the Exchanges will release a notice to the marketplace regarding the amendments in advance of the effective date.
- DCO Core Principle R – Legal Risk. The Exchanges have determined that the Rule Amendments are consistent with the requirement to have a well-founded, transparent and enforceable legal framework for each aspect of the activities of the DCO.

Exhibit A, which is attached hereto, sets forth the Rule Amendments in blackline format.

The Exchanges certify that proposed changes comply with the Act and regulations thereunder. There were no substantive opposing views to this action.

The Exchanges certify that this submission has been concurrently posted on the CME Group website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.
