Re: CFTC Regulation 40.6(d) Notification: Nodal Exchange Weekly Notification of Rule Amendments

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission (“CFTC” or “Commission”) Regulation 40.6(d), Nodal Exchange submits this weekly notification of non-substantive revisions made, during the week of March 23, 2020, to the Nodal Exchange Rulebook Appendix A (Contract Specifications). For two (2) MISO Michigan Hub Monthly Power Futures Contracts, Nodal Exchange is extending the contract series from “Currently, 69 months, but eligible to extend to current calendar/planning year plus up to 10 full calendar/planning years” to “Current calendar/planning year plus 12 full calendar or planning years”. For two (2) other MISO Michigan Hub Monthly Power Futures Contracts, Nodal Exchange is extending the contract series from “69 months” to “Current calendar/planning year plus 12 full calendar planning years”. In addition, Nodal has updated the First Trading Day for these 4 contracts to reflect the extended contract series.

These revisions went into effect on March 23, 2020. These revisions have no effect on the economic characteristics of these contracts in accordance with CFTC Regulation 40.6(d)(i).

The Nodal Exchange Rulebook Appendix A contract specifications for the revised contracts are attached hereto with the corrections noted in red on each of the contracts.
