**RE: CFTC Regulation 40.6(a) Certification. Notification Regarding Amendments to CME/CBOT/NYMEX/COMEX Rule 588. (“Trade Cancellations and Price Adjustments”).
COMEX Submission No. 16-133 (4 of 4)**

Dear Mr. Kirkpatrick:

Chicago Mercantile Exchange Inc. (“CME”), The Board of Trade of the City of Chicago, Inc. (“CBOT”), New York Mercantile Exchange, Inc. (“NYMEX”), and Commodity Exchange, Inc. (“COMEX”) (collectively, the “Exchanges”) hereby notify the Commodity Futures Trading Commission (“CFTC” or “Commission”) that they are self-certifying amendments to Rule 588. (“Trade Cancellations and Price Adjustments”). More specifically, the Exchanges will amend Subsection 588.G. (“Schedule of Administrative Fees”) of Rule 588. to increase the administrative fee for parties responsible for entering an order into the electronic trading system that gave rise to a trade cancellation or price adjustment from \$500 to \$1,000, effective on trade date Tuesday, April 26, 2016.

In 2009 the Exchanges implemented a \$500 administrative fee to cancel or price adjust erroneous trades. The administrative fee was meant to emphasize the effect that canceled or price adjusted trades may have on market integrity and other market participants.

The Exchanges have seen a steady decrease in the number of erroneous trades canceled or price adjusted since the implementation of the administrative fee. However, options trade adjustments and cancellations are more complex than futures cancellations or adjustments. The transition from open outcry trading to the electronic platform in options products is expected to continue increasing. Therefore, to underscore the potentially disruptive effect of trade cancellations and price adjustments, and to emphasize the importance of due diligence with respect to trade entry into CME Globex, the Exchanges will increase the administrative fee from \$500 to \$1,000. Additionally, the Exchanges will amend CME/CBOT/NYMEX/COMEX Subsection Rule 588.H. Table (“Table”) (attached under separate cover as Exhibit B) to include the aforementioned administrative fee to the Table for convenience of reference.

The Exchanges reviewed the designated contract market core principles (“Core Principles”) as set forth in the Commodity Exchange Act (“CEA” or “Act”) and identified that the amendments to Rule 588. may have some bearing on the following Core Principles:

Protection of Market Participants: The amendments to Rule 588.G. increase the fee for trade cancellations and price adjustments on CME Globex. This increase is the result of the complex nature of reviewing such transactions to prevent disruption and manipulation. As such, the amendments remain in compliance with this Core Principle.

Availability of General Information: As required by this Core Principle, the Exchanges will issue a Special Executive Report (“SER”) to the marketplace regarding the amendments in advance of the effective date. The SER will also be publicly available on the CME Group website.

Pursuant to Section 5c(c) of the Act and CFTC Regulation 40.6(a), the Exchanges hereby certify that the amendments to Rule 588.G. comply with the Act and regulations thereunder. There were no substantive opposing views to this proposal.

The Exchanges certify that this submission has been concurrently posted on the CME Group website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

If you require any additional information, please e-mail CMEGSubmissionInquiry@cmegroup.com or contact the undersigned at 212.299.2200.

Sincerely,

/s/Christopher Bowen
Managing Director and Chief Regulatory Counsel
