**RE: Termination of the Natural Gas Financial Products Market Maker Program  
NYMEX Submission No. 17-140**

Dear Mr. Kirkpatrick:

New York Mercantile Exchange, Inc. (“NYMEX” or “Exchange”) hereby notifies the Commodity Futures Trading Commission (“CFTC” or “Commission”) that it plans to terminate the Natural Gas Financial Products Market Maker Program (“Program”). The termination of the Program will become effective on May 1, 2017.

Exhibit 1 sets forth the terms of this Program. Modifications appear below, with additions underscored and deletions ~~overstruck~~.

The Exchange reviewed the designated contract market core principles (“Core Principles”) as set forth in the Commodity Exchange Act (“CEA”). During the review, NYMEX staff identified the following Core Principles as potentially being impacted; Prevention of Market Disruption, Execution of Transactions, Protection of Market Participants, Compliance with Rules, and Recordkeeping.

The Program and proposed modifications do not incentivize manipulative trading or market abuse or impact the Exchange’s ability to perform its trade practice and market surveillance obligations under the CEA. NYMEX market regulation staff will monitor trading in the Program’s products to prevent manipulative trading and market abuse. The Program does not impact the Exchange’s order execution. Participants in the Program will be selected by Exchange staff based on criteria set forth in Exhibit 1. Chapter 4 of the Exchange rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. All participants must execute a contractual agreement with NYMEX in which each participant will expressly agree to comply with and be subject to, applicable regulations and NYMEX rules. The Program is subject to the Exchange’s record retention policies which comply with the CEA.

The Exchange certifies that the Program and proposed modifications comply with the CEA and the regulations thereunder. There were no substantive opposing views to this Program or its proposed modifications.

The Exchange certifies that this submission has been concurrently posted on the Exchange’s website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

NYMEX, in its sole discretion, will use a variety of factors in determining whether or not a prospective participant is selected to participate in the Program, including the prospective participant’s ability to meet the obligations of the Program, the strength of the quoting obligations the prospective market maker is willing to commit to provide, and the prospective market maker’s historical activity in the Products. Notwithstanding the foregoing, NYMEX may add or subtract from the factors listed above from time to time.
