**RE: Modifications to the FX Micros Market Maker Program
CME Submission No. 22-165**

Dear Mr. Kirkpatrick:

Chicago Mercantile Exchange Inc. ("CME" or "Exchange") hereby notifies the Commodity Futures Trading Commission ("CFTC" or "Commission") of plans to modify the FX Micros Market Maker Program ("Program"). The modifications to the Program will become effective on May 1, 2022.

Exhibit 1 sets forth the terms of the Program. Modifications appear below, with additions underlined and deletions ~~overstruck~~.

CME reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA"). During the review, CME staff identified the following Core Principles as potentially being impacted: Monitoring of Trading, Execution of Transactions, Protection of Market Participants, Compliance with Rules, Availability of General Information, and Recordkeeping

The Program does not impact the Exchange's ability to perform its trade practice and market surveillance obligations under the CEA. Exchange staff will monitor trading in the Program's products in order to prevent manipulative trading and market abuse. Additionally, the Exchange has implemented systems to track Program participants' volume to ensure proper distribution of earned incentives. The Program does not impact the Exchange's order execution. Participants in the Program will be selected by CME staff using criteria as set forth in Exhibit 1. Chapter 4 of the Exchange rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. All participants must execute a contractual agreement with CME in which each participant will expressly agree to comply with, and be subject to, applicable regulations and Exchange rules. Additionally, the Program is subject to the Exchange's record retention policies, which comply with the CEA.

CME certifies that the Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.
