**RE: Modifications to the NYMEX OTC Broker Rebate Incentive Program  
NYMEX Submission No. 15-150**

Dear Mr. Kirkpatrick:

New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") hereby notifies the Commodity Futures Trading Commission ("CFTC" or "Commission") of proposed modifications to the NYMEX OTC Broker Rebate Incentive Program ("Program"). The proposed modifications to the Program will become effective on May 1, 2015.

Exhibit 1 sets forth the terms of the Program. The modifications appear below with additions underscored and deletions ~~overstruck~~.

NYMEX reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA"). During the review, NYMEX staff identified the following Core Principles as potentially being impacted: Prevention of Market Disruption, Execution of Transactions, Protection of Market Participants, Compliance with Rules, and Recordkeeping.

The Program and proposed modifications do not incentivize manipulative trading or market abuse or impact the Exchange's ability to perform its trade practice and market surveillance obligations under the CEA. The Exchange's market regulation staff will monitor trading in the Program's products to prevent manipulative trading and market abuse. Additionally, NYMEX has implemented systems to track Program participants' volume to ensure proper distribution of earned incentives. The products included in this Program are listed for trading in the open and competitive market. The incentives under the Program do not adversely impact price discovery in the centralized market. Specifically, incentives under the Program are only available to brokers that submit previously matched third-party trades in the relevant products. The parties to a trade have discretion to select the venue. Brokers earn incentives after venue selection is made. Principals who submit trades or execute orders for their own account or a proprietary account are not eligible for incentives under the Program. Thus, the Program does not influence the choice made by the principals regarding the execution venue. Participants in the Program will be selected by NYMEX staff using criteria set forth in Exhibit 1. Chapter 4 of the NYMEX rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. The Program is subject to these rules and NYMEX records retention policies that comply with the CEA.

NYMEX certifies that the Program and the proposed modifications comply with the CEA and the regulations thereunder. There were no substantive opposing views to this Program or the proposed modifications.

NYMEX certifies that this submission has been concurrently posted on the NYMEX website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.
