**RE: Precious Metals Tiered Incentive Program
COMEX Submission No. 15-111**

Dear Mr. Kirkpatrick:

Commodity Exchange, Inc. ("COMEX" or "Exchange") hereby notifies the Commodity Futures Trading Commission ("CFTC" or "Commission") that it plans to implement the Precious Metals Tiered Incentive Program ("Program"). The proposed Program will become effective on May 1, 2015.

Exhibit 1 sets forth the terms of the Program.

The Exchange reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA" or "Act"). During the review, Exchange staff identified the following Core Principles as potentially being impacted; Prevention of Market Disruption, Execution of Transactions, Protection of Market Participants, Compliance with Rules, and Recordkeeping.

The proposed Program will not impact the Exchange's ability to perform its trade practice and market surveillance obligations under the CEA. The Exchange's market regulation staff will monitor trading in the Program's product to prevent manipulative trading and market abuse. Additionally, the Exchange has implemented systems to track Program participants' volume to ensure proper distribution of earned incentives. The product included in this Program is listed for trading in the open and competitive market. Participants in the Program will be selected by Exchange staff using criteria as further stated in Exhibit 1. Chapter 4 of the Exchange rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. All participants must execute a contractual agreement with the Exchange in which each participant will expressly agree to comply with and be subject to, applicable regulations and Exchange rules. The Program will be subject to the Exchange's record retention policies which comply with the CEA.

COMEX certifies that the Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

EXHIBIT 1

Precious Metals Tiered Incentive Program

Program Purpose

The purpose of this Program is to encourage participants to increase their volume in the Products listed below in order to enhance market liquidity. A more liquid contract benefits all participants in the market.

Participants may not be concurrently participating in any other Program that includes any or all of the Products. The Exchange, in its sole discretion, will use a variety of factors in determining whether or not a prospective participant is selected to participate in the Program, including the prospective participant's overall historical volume in the Products traded on CME Globex Platform and cleared through CME ClearPort, and the prospective participant's ability to maintain threshold volume obligations for the duration of the Program. The Exchange may from time to time add or subtract from the above factors as it deems necessary.
