Chapter 1 Membership

CME/CBOT/NYMEX/COMEX

110. CLAIMS AGAINST MEMBERSHIP, APPLICATION OF PROCEEDS

For the purposes of this rule "sale" shall include a sale made pursuant to Rule 104 or a transfer made in accordance with the provisions of Rule 106; "seller" shall include owners of a membership and firms that have membership privileges pursuant to Rules 106. F., G., H., I., J., N., R. or S.; and "claim" shall be limited to claims involving incidents that occurred prior to the sale of the membership and which arose in connection with Transactions on the Exchange or membership in the Exchange. For purposes of this Rule, "Transactions on the Exchange" shall include, but are not limited to, transactions receiving preferential clearing fees as a result of the membership, regardless of the party entitled to receipt of such preferential fees. Claims resulting from conduct subsequent to the sale of a membership may not be asserted against that membership or its proceeds. All claims against the membership or proceeds resulting from the sale of the membership shall be submitted in writing to the Department within 20 days of the posting of notice of the sale of said membership. At the conclusion of the 20-day claim filing period, authorized Exchange staff shall conduct an investigation of all claims properly filed against the membership sale or its proceeds. This investigation shall be completed within 20 days unless the investigation cannot be resolved within that period.

The total proceeds of the sale, or in the case of a transfer, the value at the mid-point of the bid offer spread as of the date of the transfer, of the membership shall be applied to the following purposes and in the following order of priority:

- a. Payment of all 1) debts owed to the Clearing House, if the membership transferred was assigned to the Clearing House pursuant to Rule 902; and 2) dues, fines, contributions, charges and other indebtedness owed to the Exchange or, the CME Gratuity Fund [the reference to the CME Gratuity Fund appears solely in CME Rule 110] or GFX Corporation;
- b. Payment of any indebtedness to the clearing member who last qualified the selling member prior to the sale arising out of: (i) a pledge of such membership as collateral security on such indebtedness, or (ii) a deficit which authorized Exchange staff determines to have arisen directly out of Transactions on the Exchange or transactions with GFX Corporation;
- c. Payment of amounts due to other clearing members on claims filed which authorized Exchange staff determines to have arisen directly out of Transactions on the Exchange;
- d. Payment of amounts due to members and member firms on claims filed which authorized Exchange staff determines to have arisen directly out of Transactions on the Exchange; and
- e. Payment of amounts due to public customers of the seller or public customers of any party receiving preferential clearing fees as a result of the membership based on claims filed by such customers or based on reports of the Market Regulation Department, which claims are determined by authorized Exchange staff to be based upon misappropriation of customer funds, improperly executed transactions, unpaid credit balances, or other similar matters, directly related to Transactions on the Exchange.

[The remainder of the rule is unchanged.]
