**Re: CFTC Regulation 40.6(a) Certification. Expansion of Trading at Settlement (“TAS”) Eligibility for the Light Sweet Crude Oil Futures and Brent Crude Oil Last Day Financial Futures Contracts.
 NYMEX Submission No. 22-144**

Dear Mr. Kirkpatrick:

New York Mercantile Exchange, Inc. (“NYMEX” or “Exchange”) is certifying to the Commodity Futures Trading Commission (“CFTC” or the “Commission”) amendments to the Trading at Settlement (“TAS”) and Trading at Marker (“TAM”) table (the “Table”) located in Chapter 5 (“Trading Qualifications and Practices”) to expand TAS eligibility for the Light Sweet Crude Oil Futures and Brent Crude Oil Last Day Financial Futures contracts (the “Contracts”) for trading on the CME Globex electronic trading platform (“CME Globex”) effective Sunday, June 12, 2022 for trade date Monday, June 13, 2022 (collectively, the “Rule Amendments”).

Contract Title	Rulebook Chapter	CME Globex/ CME ClearPort Code	TAS Code	Current TAS Eligibility	Expanded TAS Eligibility
Light Sweet Crude Oil Futures	200	CL	CLT	12 consecutive months, and the next Dec and June All spread combinations for the nearest 6 TAS eligible contract months	12 consecutive months, and the next Dec and June All spread combinations for the nearest 6 TAS eligible contract months <u>and additional Jun-Dec and Dec-Jun spreads</u>
Brent Crude Oil Last Day Financial Futures	698	BZ	BZT	6 consecutive months and the next Dec All spread combinations for the nearest 6 contract months and the next Dec	<u>12</u> consecutive months and the next Dec All spread combinations for the nearest 6 contract months and the next Dec

The Contracts are also available for submission for clearing via CME ClearPort.

The Exchange conducted an analysis of liquidity of the Contracts on a month-by-month basis and determined that the expansion of TAS eligibility for the Contracts is appropriate at this time.

Amendments to the Table are provided as Exhibit A in blackline format.

The Exchange reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA" or "Act") and identified that the Rule Amendments may have some bearing on the following core principles:

- **Availability of General Information:** The Exchange will publish information on the change via a Special Executive Report ("SER") to notify the marketplace of the Rule Amendments. The SER will also be posted on the CME Group website.
- **Contract Not Readily Subject to Manipulation:** A review of the Contracts shows that there is sufficient liquidity on CME Globex to support pricing at TAS. There continues to be belief that these Contracts are not subject to manipulation.
- **Daily Publication of Trading Information:** The Exchange shall make public daily information on settlement prices, volume, open interest, and opening and closing ranges for the Contracts.
- **Compliance with Rules:** The SER being issued provides information on the Contract eligible to be entered on CME Globex. The SER and the Table are intended to provide regulatory guidance to ensure that market participants are in compliance with Rule 524. ("Trading at Settlement ("TAS") and Trading at Marker ("TAM") Transactions").

Pursuant to Section 5c(c) of the CEA and CFTC Regulation 40.6(a), the Exchange hereby certifies that the Rule Amendments comply with the Act, including regulations under the Act. There were no substantive opposing views to this proposal.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

Should you have any questions concerning the above, please contact the undersigned at (212) 299-2200 or e-mail CMEGSubmissionInquiry@cmegroup.com.

Sincerely,

/s/Christopher Bowen
Managing Director and Chief Regulatory Counsel

Attachment: Exhibit A – Amendments to the Trading at Settlement ("TAS") and Trading at Marker ("TAM") Table

BOLD indicates calendar months; *italic* indicates contract months.

With the exception of the Brent Crude Oil Last Day Financial futures (BZT), on the last day of trading in an expiring contract month:

- (1) the spot month shall no longer be TAS eligible and
- (2) the next available contract month beyond those currently TAS eligible shall become TAS eligible.
