Re: CFTC Regulation 40.6(d) Notification: Nodal Exchange Weekly Notification of Rule Amendments

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission (“CFTC” or “Commission”) Regulation 40.6(d), Nodal Exchange submits this weekly notification of non-substantive revisions made, during the week of May 15, 2017, to the Exchange and Clearing Transaction Fee Schedule for Nodal Exchange Futures. While no changes were made to the transaction fee amounts, the Power Offering CAISO was renamed WEST and now includes both CAISO and Mid-Columbia contracts. In addition, the title of the fee schedule was amended to clarify that the fee schedule is specific to Nodal Exchange ~~Contracts~~ Futures. These revisions went into effect on May 17, 2017.

The Exchange and Clearing Transaction Fee Schedule for Nodal Exchange Futures, updated on May 17, 2017, is attached hereto with the corrections noted in red.

If you have any question or need additional information regarding this submission, please contact me at 703-962-9853 or markotic@nodalexchange.com.

Sincerely,

/s/ Max Markotic

Senior Compliance Manager
