RE: Rule Certification Submission Pursuant to CFTC Regulation 40.6(a); Update to MGEX Rules

Dear Mr. Kirkpatrick:

Pursuant to Section 5c(c) of the Commodity Exchange Act (“CEAct”) and Commodity Futures Trading Commission (“CFTC”) Regulation 40.6(a), the Minneapolis Grain Exchange, Inc. (“MGEX” or “Exchange”) hereby certifies that MGEX Rule 2071.00., as set forth in the attached Exhibit A, complies with the CEAct and the CFTC Regulations promulgated thereunder (the “Proposed Amendments”). MGEX further certifies that the submission and pending changes to the MGEX Bylaws and Rules have been posted on the MGEX website at the following link: <http://www.mgex.com/regulation.html>.

I. AMENDMENTS TO MGEX RULES

MGEX continually evaluates its Rules to ensure compliance with CFTC regulations as well as general principles of law. The Proposed Amendments, suggested by the Division of Market Oversight, provide clarity to the rule by reiterating the intent of the rule that Officers may only make non-substantive amendments and updates to the MGEX Rules. The Proposed Amendments do not substantively change the rule.

II. COMPLIANCE WITH CORE PRINCIPLES.

MGEX has reviewed the core principles for designated contract markets (“DCM Core Principles”), for derivative clearing organizations (“DCO Core Principles”) and identified that the Proposed Amendments may impact the following DCM and DCO Core Principles:

- *DCM Core Principle 2, Compliance with Rules:* The Proposed Amendments will provide greater clarity to the MGEX Rules by allowing non-substantive changes to be made to the MGEX Rules to enhance organization, content, or formatting.

- *DCM Core Principle 12, Protection of Markets and Market Participants:* The Proposed Amendments will further enhance MGEX's ability to protect the market and market participants by allowing for timely updates and amendments to the MGEX Rules on non-substantive matters.
- *DCO Core Principle L, Public Information:* The Proposed Amendments allow for greater clarity and timely amending of the MGEX Rules regarding non-substantive changes. Such amendments provide the public with clearer rules in a timelier manner.

Pursuant to the authority set forth in MGEX Rule 2071.00., the MGEX Officers unanimously approved the Proposed Amendments on May 25, 2017. There were no substantive opposing views expressed by the Officers, nor is MGEX aware of any substantive opposing views with respect to this filing.

These amendments are intended to become effective ten (10) days from the date of this submission. If there are any questions regarding this submission, please contact me at (612) 321-7188. Thank you for your attention to this matter.

Best regards,
