**RE: Modifications to the Secured Overnight Financing Rate (“SOFR”) Futures Market
Maker Program
CME Submission No. 18-232**

Dear Mr. Kirkpatrick:

Chicago Mercantile Exchange Inc. (“CME” or “Exchange”) hereby notifies the Commodity Futures Trading Commission (“CFTC” or “Commission”) of plans to modify the SOFR Futures Market Maker Program (“Program”). The modifications to the Program will become effective on July 1, 2018.

Exhibit 1 sets forth the terms of this Program. Modifications appear below, with additions underlined and deletions ~~overstruck~~.

CME reviewed the designated contract market core principles (“Core Principles”) as set forth in the Commodity Exchange Act (“CEA”). During the review, CME staff identified the following Core Principles as potentially being impacted: Monitoring of Trading, Execution of Transactions, Protection of Market Participants, Compliance with Rules, and Recordkeeping.

The Program will not impact the Exchange’s ability to perform its trade practice and market surveillance obligations under the CEA and the Exchange’s market regulation staff will monitor all market participants that trade the Program’s products to prevent manipulative trading and market abuse. Additionally, the Exchange has implemented systems to track Program participants’ obligations to ensure proper distribution of earned incentives. The incentives in the Program do not impact the Exchange’s order execution. Participants in the Program will be selected by Exchange staff using criteria as further stated in Exhibit 1. Chapter 4 of the CME rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. All participants must execute a contractual agreement with the Exchange in which each participant will expressly agree to comply with and be subject to, applicable regulations and CME rules. The Program is subject to the Exchange’s record retention policies which comply with the CEA.

CME certifies that this Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchange certifies that this submission has been concurrently posted on the Exchange’s website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

If you require any additional information regarding this submission, please e-mail CMEGSubmissionInquiry@cmegroup.com or contact Rachel Johnson at 312-466-4393 or via e-mail at Rachel.Johnson@cmegroup.com. Please reference our CME Submission No. 18-232 in any related correspondence.
