# Re: Amendment to ICE Clear US, Inc. Rules Pursuant to Section 5c(c)(1) of the Commodity Exchange Act and Commission Regulation 40.6(a)

Dear Mr. Kirkpatrick:

Pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended ("Act") and Commodity Futures Trading Commission ("Commission") Regulation 40.6(a), ICE Clear US, Inc. ("ICUS") hereby submits a self-certification to amend the ICUS Rules. ICUS intends to revise the ICUS Rules no sooner than the tenth business day following the filing of this submission with the Commission, or such later date as ICUS may determine. Certification of the ICUS Rules pursuant to Section 5c(c)(1) of the Act and Commission Regulation 40.6(a) is also provided below.

The amendments to the ICUS Rules relate to the collection and payment of variation margin with respect to contracts that are the subject of delivery notices, and are being made to conform ICUS's business practice with other Intercontinental Exchange, Inc. derivatives clearing organizations ("DCO"), most notably ICE Clear Europe. Previously, ICUS collected daily variation margin for contracts with respect to which delivery notices were issued and paid variation margin to the opposite clearing member. ICUS will no longer collect and pay variation margin on delivery positions in cash, but will instead include an equivalent variation margin amount as an adjustment to the clearing member's daily initial margin requirement.

### Core Principle Review:

ICUS reviewed the DCO core principles as set forth in the Act. During this review, ICUS identified the following core principle as being impacted:

Risk Management: The ICUS Rules are consistent with the risk management requirements of Core Principle D. ICUS's Rules set forth certain procedures related to margin practices, which include the appropriate tools to pay and collect margins set at appropriate levels to manage the risks associated with ICUS's responsibilities as a DCO.

### Amended Rules:

The proposed changes consist of changes to the ICUS Rules to restructure and clarify both documents.

Annexed as an Exhibit hereto is the following:
