RE: CFTC Regulation 40.6(a) Certification. Elimination of Open Outcry Trading Venue in Connection with the Closing of CBOT Open Outcry Futures Trading Pits. CBOT Submission No. 15-249

Dear Mr. Kirkpatrick:

The Board of Trade of the City of Chicago, Inc. ("CBOT" or "Exchange") hereby notifies the Commodity Futures Trading Commission ("CFTC" or "Commission") that it is self-certifying the elimination of the open outcry trading venue in connection with the closing of CBOT open outcry futures trading on July 2, 2015. Beginning on July 6, 2015, open outcry trading pursuant to Rule 521 ("Requirements for Open Outcry Trades") will remain eligible solely in existing CBOT options currently eligible for open outcry trading in the applicable CBOT options trading pits, inclusive of options, options spreads, options combinations and options/futures spreads.

The elimination of open outcry in CBOT futures pits will not occur until after the close of open outcry trading on July 2, 2015.

The Exchange reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA" or "Act") and identified that the elimination of open outcry futures trading in all futures trading pits may have some bearing on the following Core Principles:

Compliance with Rules: The elimination of open outcry trading in all futures pits represents a change to the terms and conditions of all affected futures products currently trading via open outcry on the trading floor. This venue elimination has been widely communicated to market participants and will not otherwise affect the ability of CBOT to enforce compliance with its rules.

Availability of General Information: Information on the upcoming closing of all CBOT futures trading pits has been widely disseminated. A Special Executive Report reminding the marketplace of the upcoming elimination of open outcry futures trading in futures pits, including rule changes separately self-certified in Submission 15-175 from June 5, 2015, will be issued prior to July 6, 2015.

CBOT certifies that this submission has been concurrently posted on the CME Group website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

If you require any additional information, please e-mail CMEGSubmissionInquiry@cmegroup.com or contact the undersigned at 212-299-2200.
