**Re: Amendments to Precious Metal Options Contract Designated Market Maker
Program - Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6**

Dear Mr. Kirkpatrick:

Pursuant to Commission Regulation 40.6(a), ICE Futures U.S., Inc. (“IFUS” or “Exchange”) submits, by written certification, notice that the Exchange is extending the term of the Precious Metal Futures Options Contract Designated Market Maker Program (“Program”) through June 30, 2018. No other changes are being made to the Program, which was launched on June 6, 2014 and was set to expire in June 30, 2017. The Exchange believes the program will continue to promote liquidity in the covered contracts. The terms of the Program are set forth in Exhibit A.

The Exchange certifies that the Program complies with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder. In particular, the amendments comply with Core Principle 4 (Monitoring of Trading), Core Principle 9 (Execution of Transactions) and Core Principle 12 (Protection of Market Participants). The Program does not impact order execution priority or otherwise give participants any execution preference or advantage. In addition, the Exchange’s Market Regulation Department actively monitors for trading abuses using electronic exception reports and will take appropriate action against any participants engaging in market abuses.

The Exchange further certifies that, concurrent with this filing, a notice of pending certification was posted on the Exchange’s website. A copy of this submission may be accessed

at (<https://www.theice.com/notices/RegulatoryFilings.shtml>). The Exchange is not aware of any opposing views respect to the amendments, which will become effective on June 30, 2017.
