**Re: Amendments to the MSCI Options Designated Market Maker Program
Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6**

Dear Mr. Kirkpatrick:

Pursuant to Commission Regulation 40.6(a), ICE Futures U.S., Inc. (“IFUS” or “Exchange”) submits, by written certification, notice that the Exchange is extending the term of the MSCI Options Designated Market Maker Program (“Program”) through December 31, 2019, as set forth in Exhibit A. The Program, which was launched on January 30, 2017 with the listing of the MSCI Options Contracts, is currently set to expire on June 30, 2019. The Exchange believes the Program has helped build liquidity and volume in the covered contracts and is extending the term through December 31, 2019.

The Exchange certifies that the amendments, which will become effective on July 1, 2019, comply with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder. In particular, the amendments comply with Core Principle 4 (Monitoring of Trading), Core Principle 9 (Execution of Transactions) and Core Principle 12 (Protection of Market Participants). The Program does not impact order execution priority or otherwise give participants any execution preference or advantage. In addition, the Exchange’s Market Regulation Department actively monitors for trading abuses using electronic exception reports and will take appropriate action against any participants engaging in market abuses.

The Exchange further certifies that, concurrent with this filing, a redacted copy of this submission (consistent with the petition for Confidential Treatment filed contemporaneously with the Commission) was posted on the Exchange’s website at (<https://www.theice.com/futures->
