**RE: Implementation of the NYMEX Micro Crude Oil Liquidity Provider Program
NYMEX Submission No. 21-273**

Dear Mr. Kirkpatrick:

New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") hereby notifies the Commodity Futures Trading Commission ("CFTC" or "Commission") of plans to implement the NYMEX Micro Crude Oil Liquidity Provider Program ("Program"). The proposed Program will become effective on July 12, 2021.

Exhibit 1 sets forth the terms of this Program.

NYMEX reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA"). During the review, NYMEX staff identified the following Core Principles as potentially being impacted: Monitoring of Trading, Execution of Transactions, Protection of Market Participants, Compliance with Rules, Availability of General Information, and Recordkeeping.

The Program will not impact the Exchange's ability to perform its trade practice and market surveillance obligations under the CEA. The Exchange's market regulation staff monitors trading in the Program's product to prevent manipulative trading and market abuse. The product included in this Program is listed for trading in the open and competitive market. Additionally, the Exchange has implemented systems to track Program participants' volume to ensure proper distribution of earned incentives. The incentives in the Program do not impact the Exchange's order execution. Participants in the Program will be selected by NYMEX staff using criteria as further stated in Exhibit 1. Chapter 4 of the NYMEX rules includes prohibitions against fraudulent, non-competitive, unfair, or abusive practices. All participants must execute a contractual agreement with NYMEX in which each participant will expressly agree to comply with and be subject to, applicable regulations and NYMEX rules. The Program is subject to the Exchange's record retention policies which comply with the CEA.

NYMEX certifies that the Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.
