RE: Modifications to the CME/CBOT Equity Index Options Market Maker Program CME Submission No. 15-254 (1 of 2)

Dear Mr. Kirkpatrick:

Chicago Mercantile Exchange Inc. ("CME") and The Board of Trade of the City of Chicago, Inc. ("CBOT") (collectively, the "Exchanges") hereby notify the Commodity Futures Trading Commission ("CFTC" or "Commission") that they plan to modify the CME/CBOT Equity Index Options Market Maker Program ("Program"). The modifications to the Program will become effective on July 1, 2015.

Exhibit 1 sets forth the terms of the Program. The modifications appear below, with additions <u>underscored</u> and deletions overstruck.

The Exchanges reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA"). During the review, staff identified the following Core Principles as potentially being impacted: Prevention of Market Disruption, Execution of Transactions, Protection of Market Participants, Compliance with Rules, and Recordkeeping.

The Program's incentive structure as set forth in the Exhibit below is such that it does not incentivize manipulative trading or market abuse and will not impact the Exchanges' ability to perform its trade practice and market surveillance obligations under the CEA. The Exchanges' market regulation staff will monitor trading in the Program's products to prevent manipulative trading and market abuse. Additionally, the Exchanges have implemented systems to track Program participants' obligations to ensure proper distribution of earned incentives. The incentives in the Program do not impact the Exchanges' order execution. Participants in the Program will be selected by Exchange staff using criteria as further stated in Exhibit 1. Chapter 4 of the Exchange rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. All participants must execute a contractual agreement with the applicable Exchange in which each participant will expressly agree to comply with and be subject to, applicable regulations and Exchange rules. The Program is subject to the Exchanges' record retention policies which comply with the CEA.

The Exchanges certify that the Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchanges certify that this submission has been concurrently posted on the Exchanges' website at <u>http://www.cmegroup.com/market-regulation/rule-filings.html</u>.

If you require any additional information regarding this submission, please email <u>CMEGSubmissionInquiry@cmegroup.com</u> or contact Rachel Johnson at 312-466-4393 or via e-mail at <u>Rachel.Johnson@cmegroup.com</u>. Please reference our CME Submission No. 15-254 in any related correspondence.
