Re: Extension of the MSCI Index Futures Contract New Jurisdiction Volume Incentive Program - Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission ("CFTC") Regulation 40.6(a), ICE Futures U.S., Inc. ("IFUS" or "Exchange") hereby submits, by written certification, notice that the Exchange is extending the terms of the MSCI Index Futures Contract New Jurisdiction Volume Incentive Program ("Program"), through December 31, 2016. The Program, which incentivizes participants to increase central limit order book volume in all mini MSCI Index Futures Contracts listed on IFUS was launched on April 1, 2015 and is currently set to run through June 30, 2016. The Exchange is extending the Program, effective June 30, 2016, to help build liquidity and interest in the covered contracts. All other Program terms and conditions remain unchanged.

The Exchange certifies that the Program continues to comply with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder. In particular, the Program complies with Core Principle 4 (Monitoring of Trading), Core Principle 9 (Execution of Transactions) and Core Principle 12 (Protection of Market Participants). The Program does not impact order execution priority or otherwise give participants any execution preference or advantage. In addition, the Exchange's Market Regulation Department actively monitors for trading abuses using electronic exception reports and will take appropriate action against any participants engaging in market abuses.

The Exchange further certifies that, concurrent with this filing, a redacted copy of this submission (consistent with the petition for Confidential Treatment filed contemporaneously with the Commission) was posted on the Exchange's website at (https://www.theice.com/notices/RegulatoryFilings.shtml).
