 40.6**

Dear Mr. Kirkpatrick:

Pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended, and Commodity Futures Trading Commission (“Commission”) Regulation 40.6, ICE Futures U.S., Inc. (“Exchange” or “IFUS”) hereby submits by written certification, notice that the Exchange is extending the term of the NYSE FANG+ Index Broker Incentive Program through December 31, 2018. No other changes are being made to the Program, which was launched on January 26, 2018 and was set to expire on June 30, 2018. The Exchange believes the program will continue to promote liquidity in NYSE Fang+ Index futures, which were launched in November 2017.

In particular, the Program complies with Core Principle 4 (Monitoring of Trading), Core Principle 9 (Execution of Transactions) and Core Principle 12 (Protection of Market Participants). The Program does not impact order execution priority or otherwise give participants any execution preference or advantage. In addition, the Exchange’s Market Regulation Department actively monitors for trading abuses using electronic exception reports and will take appropriate action against any participants engaging in market abuses.

The Exchange further certifies that, concurrent with this filing, a notice of pending certification was posted on the Exchange’s website. A copy of this submission may be

accessed at (<https://www.theice.com/futures-us/regulation#rule-filings>). The Exchange is not aware of any opposing views with respect to the extension of the Program, which will become effective on June 30, 2018.
