**Re: Amendments to NYSE FANG+™ Index Futures Volume Incentive Program
Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6**

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission (“CFTC”) Regulation 40.6(a), ICE Futures U.S., Inc. (“IFUS” or “Exchange”) hereby submits by written certification, notice that the Exchange is extending the term of the NYSE FANG+ Index Futures Volume Incentive Program (“Program”) through December 31, 2018. No other changes are being made to the Program, which was launched on February 7, 2018 and was set to expire on June 30, 2018. The Exchange believes the program will continue to promote liquidity in NYSE Fang+ Index futures, which were launched in November 2017. The terms of the Program are set forth in Exhibit A.

The Exchange certifies that the Program continues to comply with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder. In particular, the Program complies with Core Principle 4 (Monitoring of Trading), Core Principle 9 (Execution of Transactions) and Core Principle 12 (Protection of Market Participants). The Program does not impact order execution priority or otherwise give participants any execution preference or advantage. In addition, the Exchange’s Market Regulation Department actively monitors for trading abuses using electronic exception reports and will take appropriate action against any participants engaging in market abuses.

The Exchange is not aware of any opposing views with regard to the amendments, which will become effective on June 30, 2018, and further certifies that, concurrent with this filing, a

copy of this submission was posted on the Exchange's website at <https://www.theice.com/futures-us/regulation#rule-filings>).
