**Re: Amendments to Sugar Arb Blocks Liquidity Provider Program
Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6**

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission (“CFTC”) Regulation 40.6(a), ICE Futures U.S., Inc. (“IFUS” or “Exchange”) hereby submits, by written certification, notice that the Exchange is extending the term of the Sugar Arb Blocks Liquidity Provider Program (“Program”), which was launched for an initial term on August 1, 2016 and set to expire on June 30, 2018. The Exchange believes the program has helped support liquidity in the Sugar No. 11/white sugar arbitrage market and is extending the Program through June 30, 2019. All other Program terms, which are set forth in Exhibit A, remain unchanged.

The Exchange certifies that the amendments to the Program comply with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder. In particular, the Program continues to comply with Core Principle 4 (Monitoring of Trading), Core Principle 9 (Execution of Transactions) and Core Principle 12 (Protection of Market Participants). The Program does not impact order execution priority or otherwise give participants any execution preference or advantage. In addition, the Exchange’s Market Regulation Department actively monitors for trading abuses using electronic exception reports and will take appropriate action against any participants engaging in market abuses.

The Exchange is not aware of any opposing views with regard to the amendments to the Program, which will become effective on June 30, 2018, and further certifies that, concurrent with this filing, a redacted copy of this submission (consistent with the petition for Confidential Treatment filed contemporaneously with the Commission) was posted on the Exchange’s website at (<https://www.theice.com/futures-us/regulation#rule-filings>)
