**Re: Amendment to Arb Blocks Liquidity Provider Program
Submission Pursuant to Section 5c(c)(1) of the Act and Regulation 40.6**

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission (“CFTC”) Regulation 40.6(a), ICE Futures U.S., Inc. (“IFUS” or “Exchange”) hereby submits, by written certification, an amendment extending the term of the Arb Blocks Liquidity Provider Program (“Program”), as set forth in Exhibit A. The Exchange believes that the Program, which was set to expire on June 30, 2022, has helped increase liquidity in the sugar and coffee arbitrage markets. As such, the Program is being extended through June 30, 2023.

The Exchange certifies that the amendment to the Program complies with the requirements of the Commodity Exchange Act and the rules and regulations promulgated thereunder. In particular, the Program continues to comply with Core Principle 4 (Monitoring of Trading), Core Principle 9 (Execution of Transactions) and Core Principle 12 (Protection of Market Participants). The Program does not impact order execution priority or otherwise give participants any execution preference or advantage. In addition, the Exchange’s Market Regulation Department actively monitors for trading abuses using electronic exception reports and will take appropriate action against any participants engaging in market abuses.

The Exchange is not aware of any opposing views with regard to the amendment to the Program, which will become effective on July 1, 2022, and further certifies that, concurrent with this filing, a redacted copy of this submission (consistent with the petition for Confidential Treatment filed contemporaneously with the Commission) was posted on the Exchange’s website at <https://www.theice.com/futures-us/regulation#rule-filings>
