Washington, DC 20581

**Re: CFTC Regulation 40.6(a) Certification. Notification Regarding Expansion of Trading at Settlement (“TAS”) Eligibility for Corn, Soybeans, Chicago SRW Wheat, Live Cattle and Lean Hog Futures Contracts.
CME Submission 19-204 (1 of 2)**

Dear Mr. Kirkpatrick:

Chicago Mercantile Exchange Inc. (“CME”) and The Board of Trade of the City of Chicago, Inc. (“CBOT”) (collectively, the “Exchanges”) are notifying the Commodity Futures Trading Commission (“CFTC” or “Commission”) that they are self-certifying amendments to the Trading at Settlement (“TAS”) Table (the “Table”) located in Chapter 5 (“Trading Qualifications and Practices”) to expand TAS eligibility for the agricultural futures contracts noted below (the “Contracts”) for trading on CME Globex electronic trading platform and for submission for clearing via CME ClearPort effective on Sunday, July 14, 2019, for trade date Monday, July 15, 2019. In addition, spread functionality will be permitted for all combinations of TAS eligible contract months of the Contracts (collectively, the “Rule Amendments”).

CME:

Contract Title	Rulebook Chapter	CME Globex/ CME ClearPort Code	TAS Code
Live Cattle Futures	101	LE/48	LET
Lean Hog Futures	152	HE/LN	HET

CBOT:

Contract Title	Rulebook Chapter	CME Globex/ CME ClearPort Code	TAS Code
Corn Futures	10	ZC/C	ZCT
Soybean Futures	11	ZS/S	SBT
Chicago SRW Wheat Futures	14	ZW/W	ZWT

The Rule Amendments to the Table are provided in Exhibit A attached with additions underscored.

Based on recent requests from market participants, the Exchange is expanding TAS eligibility for additional listed contract months of the Contracts. Additional information regarding TAS transactions may be viewed [HERE](#).

The Exchanges reviewed the designated contract market core principles (“Core Principles”) as set forth in the Commodity Exchange Act (“CEA” or “Act”) and identified that the Rule Amendments may have some bearing on the following core principles:

- **Availability of General Information**: The Exchanges shall publish information regarding the Rule Amendments via a Special Executive Report (“SER”) to notify the marketplace. The SER will also be posted on the CME Group website.
- **Contracts Not Readily Subject to Manipulation**: A review of the Contracts shows that there is sufficient liquidity on CME Globex to support expanded TAS eligibility of the Contracts TAS. The Exchanges continue to be belief that the Contracts are not subject to manipulation.
- **Daily Publication of Trading Information**: The Exchanges shall make public daily information on settlement prices, volume, open interest, and opening and closing ranges for the Contract.
- **Compliance with Rules**: The SER being issued provides information on the Contracts eligible to be entered on CME Globex. The SER and the Table are intended to provide regulatory guidance to ensure that market participants are in compliance with Rule 524. (“Trading at Settlement (“TAS”) and Trading at Marker (“TAM”) Transactions”).

Pursuant to Section 5c(c) of the Act and CFTC Regulation 40.6(a), the Exchanges certify that the Rule Amendments comply with the Act, including regulations under the Act. There were no substantive opposing views to the Rule Amendments.

The Exchanges certifies that this submission has been concurrently posted on the CME Group website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

Should you have any questions concerning the above, please contact the undersigned at (212) 299-2200 or via e-mail at CMEGSubmissionInquiry@cmegroup.com.

Sincerely,

/s/ Christopher Bowen
Managing Director and Chief Regulatory Counsel
