Re: CFTC Regulation 40.6(d) Notification: Nodal Exchange Weekly Notification of Rule Amendments

Dear Mr. Kirkpatrick:

Pursuant to Commodity Futures Trading Commission (“CFTC” or “Commission”) Regulation 40.6(d), Nodal Exchange submits this weekly notification of non-substantive revisions made, during the week of June 29, 2020, to the Nodal Exchange Rulebook Appendix A (Contract Specifications). For 92 Power Futures Contracts, Nodal Exchange is amending the contract series from “Current calendar/planning year plus 12 full calendar or planning years” to “current calendar year plus 12 full calendar years”. In addition, Nodal has updated the First Trading Day for these contracts to reflect the amended contract series.

These revisions went into effect on July 1, 2020. These revisions have no effect on the economic characteristics of these contracts in accordance with CFTC Regulation 40.6(d)(i).

The Nodal Exchange Rulebook Appendix A contract specifications for the revised contracts are attached hereto with the corrections noted in red on each of the contracts.

If you have any question or need additional information regarding this submission, please contact me at 703-962-9853 or markotic@nodalexchange.com.

Sincerely,

/s/ Max Markotic

Director of Compliance
