**RE: Modifications to the Henry Hub Strips Liquidity Provider Program
NYMEX Submission No. 22-282**

Dear Mr. Kirkpatrick:

New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") hereby notifies the Commodity Futures Trading Commission ("CFTC" or "Commission") of plans to modify the Henry Hub Strips Liquidity Provider Program ("Program"). The modifications to the Program will become effective on August 1, 2022.

Exhibit 1 sets forth the terms of the Program. Modifications appear below, with additions underlined and deletions ~~overstruck~~.

NYMEX reviewed the designated contract market core principles as set forth in the Commodity Exchange Act ("CEA"). During the review, NYMEX staff identified the following Core Principles as potentially being impacted: Monitoring of Trading, Execution of Transactions, Protection of Market Participants, Compliance with Rules, Availability of General Information, and Recordkeeping.

The Program does not impact the Exchange's ability to perform its trade practice and market surveillance obligations under the CEA. The Exchange's market regulation staff will monitor trading in the Program's products to prevent manipulative trading and market abuse. Additionally, NYMEX has implemented systems to track Program participants' volume to ensure proper distribution of earned incentives. NYMEX will select participants based on the criteria set forth in Exhibit 1. Chapter 4 of the NYMEX rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. All participants must execute a contractual agreement in which each participant will expressly agree to comply with and be subject to, applicable regulations and NYMEX rules. The Program is subject to the Exchange's record retention policies which comply with the CEA.

The Exchange certifies that the Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

If you require any additional information regarding this submission, please e-mail CMEGSubmissionInquiry@cmegroup.com or contact Rachel Johnson at 312-466-4393 or via e-mail at Rachel.Johnson@cmegroup.com. Please reference our NYMEX Submission No. 22-282 in any related correspondence.

Sincerely,

/s/ Christopher Bowen
Managing Director and Chief Regulatory Counsel

Attachment: Exhibit 1

EXHIBIT 1

Henry Hub Strips Liquidity Provider Program

Program Purpose

The purpose of the Program is to incentivize higher levels of volume contribution in certain energy products on the CME Globex® Platform (“Globex”). The resulting increase in central limit order book liquidity benefits all participant segments in the marketplace.

Product Scope

Natural Gas (Henry Hub) Last-day Financial Futures (“HH”) and Henry Hub Natural Gas Futures (“NG”) that are traded on Globex (“Products”).

Eligible Participants

There is no limit to the number of participants in the Program. Participants may be NYMEX members or non-members.

Program Term

Start date is October 1, 2019. End date is ~~July 31, 2022~~ July 31, 2023.

Hours

N/A

Incentives

Participants achieving certain volume levels in the Products, as determined by the Exchange, will receive predetermined incentives in the Products.

Monitoring and Termination of Status

The Exchange shall monitor participants’ activity in the Products and retains the right to revoke participant status if it concludes from review that a participant no longer meets the requirements of the Program.
