**Re: CFTC Regulation 40.6(a) Certification: Notification of Delisting Two (2)
Nodal Exchange MISO Power Energy Futures Contracts**

Dear Mr. Kirkpatrick:

Nodal Exchange, LLC ("Nodal Exchange" or "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") that it delisted two MISO Energy futures contracts on June 11, 2015. Accordingly, the Exchange is self-certifying amendments to Appendix A (Contract Specifications) and Appendix C (Reporting Levels, Position Accountability Levels and Position Limits) of the Nodal Exchange Rulebook pursuant to Commission Regulation 40.6(a). The amendments to Appendices A and C are attached hereto, indicating the specific contracts that were delisted by the Exchange.

The Exchange delisted a total of two contracts that are associated with MISO as follows:

MISO_ALTE.ROCKGEN1_month_off_dap
MISO_ALTE.ROCKGEN1_month_on_dap

The Exchange delisted the contracts as a result of MISO no longer offering prices on this location. There were no open positions on these contracts at the time of delisting.

Exchange management has assessed the amendments to Appendices A and C, and their compliance with applicable provisions of the Commodity Exchange Act ("Act"), including the Commissions Regulations and the Core Principles. Nodal Exchange has identified that the delisting of the two contracts indicated by amendments to Appendices A and C may affect the following Core Principles as follows:

Core Principle 6 - Emergency Authority: There was no open interest in these contracts, and therefore there was no market disruption related to their delisting.

Core Principle 7 - Availability of General Information: The Exchange has posted on its website (www.nodalexchange.com) the delisting of the contracts, including the contract specifications for the delisted contracts. The terms and conditions of these contracts are no longer available to the marketplace.

Pursuant to Section 5c(c) of the Act and the Commission's Regulation 40.6, the Exchange certifies that the delisting of these contracts complies with the Act and the Commission's Regulations thereunder. There have not been any opposing views expressed regarding these amendments.

Nodal Exchange certifies that this submission has been concurrently posted on the Nodal Exchange website at www.nodalexchange.com.

If you have any question or need additional information regarding the above, please contact the undersigned at 703-962-9811 or sacra@nodalexchange.com.

Sincerely,

Ann Sacra

President & Chief Operating Officer
