**RE: Implementation of the TOPIX Futures Fee Waiver Program  
CME Submission No. 18-353**

Dear Mr. Kirkpatrick:

Chicago Mercantile Exchange Inc. ("CME" or "Exchange") hereby notifies the Commodity Futures Trading Commission ("CFTC" or "Commission") of plans to implement the TOPIX Futures Fee Waiver Program ("Program"). The proposed Program will become effective on September 1, 2018.

Exhibit 1 sets forth the terms of the Program.

CME reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA"). During the review, CME staff identified the following Core Principles as potentially being impacted: Monitoring of Trading, Execution of Transactions, Protection of Market Participants and Compliance with Rules.

The Program is a general fee waiver that applies to all market participants. A general fee waiver does not incentivize manipulative trading or market abuse. The Program does not impact the Exchange's ability to perform its trade practice and market surveillance obligations under the CEA. The Exchange's market regulation staff will monitor trading in the products that are included in the Program to prevent manipulative trading and market abuse. The general fee waiver in the Program does not impact the Exchange's order execution. All market participants that execute trades in the products on Globex shall be entitled to participate. Chapter 4 of the Exchange rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. The Program is subject to these rules.

CME certifies that the Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.
