**RE: Modifications to the Bitcoin Options Market Maker Program
CME Submission No. 21-383**

Dear Mr. Kirkpatrick:

Chicago Mercantile Exchange Inc. (“CME” or “Exchange”) hereby notifies the Commodity Futures Trading Commission (“CFTC” or “Commission”) of plans to modify the Bitcoin Options Market Maker Program (“Program”). The modifications to the Program will become effective on September 1, 2021.

Exhibit 1 sets forth the terms of this Program. Modifications appear below, with additions underlined and deletions ~~overstruck~~.

CME reviewed the designated contract market core principles (“Core Principles”) as set forth in the Commodity Exchange Act (“CEA”). During the review, CME staff identified the following Core Principles as potentially being impacted: Monitoring of Trading, Execution of Transactions, Protection of Market Participants, Compliance with Rules, Availability of General Information, and Recordkeeping.

The Program does not impact the Exchange’s ability to perform its trade practice and market surveillance obligations under the CEA. Exchange staff will monitor trading in the Program’s products to prevent manipulative trading and market abuse. Additionally, CME has implemented systems to track Program participants’ volume to ensure proper distribution of earned incentives. The Program does not impact the Exchange’s order execution. Participants in the Program will be selected by CME staff using criteria as further stated in Exhibit 1. Chapter 4 of the CME rules includes prohibitions against fraudulent, non-competitive, unfair, or abusive practices. The Program is subject to these rules and CME records retention policies that comply with the CEA.

CME certifies that the Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchange certifies that this submission has been concurrently posted on the Exchange’s website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

Eligible Participants

Participants may be CME members or non-members. CME may designate up to seven (7) participants in the Program. Potential participants are required to submit an application/bid sheet to the Exchange as part of a competitive application process which is used to determine eligibility. In determining whether or not a prospective participant is selected to participate in the Program, Exchange staff may take into account a variety of factors including the strength of the quoting obligations the prospective participant is willing to commit to provide, whether Exchange staff believes that the prospective participant can maintain such obligations, and historical volume trading the Product and similar contracts. The Exchange may, from time to time, add or subtract from the aforementioned requirements as it deems necessary.

Program Term

Start date is January 13, 2020. End date is ~~August 31, 2024~~ April 30, 2022.

Hours

5:00PM CT – 4:00PM CT.

Obligations

In order to be eligible to receive the incentives, participants must ~~meet predetermined volume thresholds~~ and quote two-sided markets in the Product, at predetermined bid/ask spreads and minimum quote sizes.

Incentives

Upon meeting the obligations, as determined by the Exchange, participants will be eligible to receive predetermined incentives.

Monitoring and Termination of Status

The Exchange shall monitor trading activity and participants' performance and retains the right to revoke participant status if it concludes from review that a participant no longer meets the eligibility requirements or fails to meet the obligations of the Program.
