Re:

CFTC Regulation 40.6(a) Certification. Notification Regarding Application of Trading at Settlement ("TAS") Eligibility to the E-micro Gold Futures Contract and Other Administrative Amendments to the NYMEX/COMEX TAS Table.

NYMEX Submission No. 18-344 (1 of 2)

Dear Mr. Kirkpatrick:

New York Mercantile Exchange, Inc. ("NYMEX") and Commodity Exchange, Inc. ("COMEX") (collectively, the "Exchanges") are notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") that they are self-certifying amendments to the Trading at Settlement ("TAS") Table (the "Table") located in Chapter 5 ("Trading Qualifications and Practices") to apply TAS eligibility to the COMEX E-micro Gold Futures contract (the "Contract") for trading on the CME Globex electronic platform and for submission for clearing through CME ClearPort effective on Sunday, September 23, 2018 for trade date Monday, September 24, 2018 as noted below.

Contract Title	Rulebook Chapter	CME Globex and CME ClearPort Code	CME Globex TAS Code	TAS Eligibility as of Trade Date September 24, 2018
E-micro Gold Futures	120	MGC	MGT	Trading at Settlement is eligible in the first, second and third active contract month - February, April, June, August, December.

Also effective at this time, the Exchanges will permission spread functionality for all TAS eligible contract months of the Contract. Lastly, the Exchanges will implement clarification amendments to the NYMEX/COMEX TAS Table (collectively, the "Rule Amendments").

Based on recent requests of market participants, the COMEX conducted an analysis of liquidity of the Contract on a month-by-month basis and determined that the implementation of TAS eligibility for trading on the CME Globex electronic trading platform is appropriate at this time.

The amended Table is provided as Exhibit A in blackline format.

The Exchanges reviewed the designated contracts market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA" or "ACT") and identified that the Rule Amendments may have some bearing on the following core principles:

- Availability of General Information: The Exchanges will publish information on the changes via
  a Special Executive Report ("SER") to notify the marketplace of the Rule Amendments. The SER
  will also be posted on the CME Group website.
- Contracts Not Readily Subject to Manipulation: A review of the Contract shows that there is sufficient liquidity on CME Globex to support pricing at TAS. There continues to be belief that this Contract are not subject to manipulation.
- Compliance with Rules: The SER being issued provides information on the Contract's eligible to be entered on CME Globex and priced at the settlement price or any valid price increment ten (10) ticks higher or lower than the settlement price pursuant to Rule 524. The SER and the Table are intended to provide regulatory guidance to ensure that market participants are in compliance with Rule 524.

Pursuant to Section 5c(c) of the Act and CFTC Regulations 40.6(a), the Exchanges certify that the Rule Amendments comply with the Act, including regulations under the Act. There were no substantive opposing views to the Rule Amendments.

The Exchanges certifies that this submission has been concurrently posted on the CME Group website at <a href="http://www.cmegroup.com/market-regulation/rule-filings.html">http://www.cmegroup.com/market-regulation/rule-filings.html</a>.

Should you have any questions concerning the above, please contact the undersigned at (212) 299-2200 or via e-mail at <a href="mailto:CMEGSubmissionInquiry@cmegroup.com">CMEGSubmissionInquiry@cmegroup.com</a>.

Sincerely,

/s/ Christopher Bowen
Managing Director and Chief Regulatory Counsel
